All class members submit this form together.

All class members named on the check have signed below. We request that the Administrator issue a separate pro rata check to each of us. *Note:* If there are more than two class members on the check, provide the same information, including signature(s), for other class member(s) on a separate page.

I submit this form only for myself.

The co-class member(s) cannot be reached or is (are) unwilling to cooperate in this request for separate checks. Please issue a pro rata check to me. I understand the Administrator will also issue pro rata payment(s) to other class member(s) listed on the check.
